Greetings, and welcome to our Spring 2009 Catalog!

Since 1987, Right Stuf has always been about providing anime fans with the best service and products available, and this year we're launching a campaign that's all about celebrating those who have supported us and anime over the years. We've dubbed 2009 the Year of the Otaku and are asking fans the question, "What kind(s) of Otaku are you?"

We'll be sponsoring contests, games and more as the year goes on, so keep your eyes on our website for more information on this ongoing campaign.

From our Nozomi Entertainment division, 2008 brought a great deal of year-end attention from both the fans and the anime press. Anime Insider named *Maria Watches Over Us* and *Emma: A Victorian Romance* the "Best Shoujo" and "Best Drama" titles of the year, respectively, and the fans at AnimeOnDVD @ Mania voted four of our box sets - *Emma* (Seasons 1 and 2), *Maria Watches Over Us* - Season 1, and *ARIA The ANIMATION* - as "Picks of the Month" for their months of release.

We have another strong year coming up for Nozomi with a planned box set for *Gakuen Alice*, the remastered releases for *The Irresponsible Captain Tylor* TV series and OVAs, and more great surprises along the way. Check our website for

details as we announce our upcoming titles - I'm excited about what we have in store in the months to come!

RightStuf.com continues to be dedicated to bringing YOU, the fans, the very best the otaku world has to offer. With our always expanding selection, our competitive prices, exclusives, and Got Anime discounts, we're here to help!

And remember, we always want to hear from you - by e-mail, phone call, forum post and more! Whether it's about our latest Anime Today podcast, a suggestion you've been dying to share, your opinions on special programs like our planned *Captain Tylor* disc exchange, or even a simple customer review, it's your voice and your continued support that keep us going.

Thank you, and we look forward to serving you in 2009!

Best regards,

Shawne Kleckner

WELCOME TO ALICE ACADEMY!

Okay, calm down. You've just discovered that you possess an ability like reading minds or spouting water from your ears on command. Are you going crazy? Some kind of genetic freak? Calculating the sales potential of those mushrooms growing in the basement? Possibly, but you also possess what's called an "Alice" - a special magical talent far beyond the capabilities of regular humans. Congratulations! Your next step¹ is to enroll at Alice Academy, the government-sponsored, premier education facility for all Alice-gifted students. You'd better start packing.

Once you've said your goodbyes and stuffed your suitcase, it's just a quick trip to Tokyo (look for the giant gorilla billboard) and you'll be ready to start your new life at the Academy! Your education will be taking a giant leap forward, as you'll be spending your days learning from the best Alice-equipped teachers in the world.² Plus, no need to worry about room and board: all students are provided with spacious on-campus dorm rooms and dine on delectable cooking from our in-house chefs.³

We don't neglect our students' learning environment, either. Despite its location in the heart of the city, Alice Academy's grounds are extensive; in fact, it's possible to spend your entire school career there without ever needing to leave!⁴ You'll discover separate buildings for the Elementary, Junior High, and Senior High divisions, administrative offices, state-of-the-art laboratories, exotic animal pens, a fire station and hospital, and the shop-centric Central Town, all surrounded by beautiful fields and lush forests.⁵

In addition to core subjects like math and history, your education will include special extracurricular classes on how to use your Alice. Divided up by Alice type - latent, technical, somatic, special, or dangerous - and integrated across all three educational divisions, these classes will give you a chance to meet and work with upperclassmen and teachers who specialize in your fields. Students who display exceptional aptitudes may even be given specialized advanced coursework to further hone their abilities.⁶

Best of all, Alice Academy spares no expense when it comes to special school events, including everything from concerts by famous former alumni to a visit from the circus. You're guaranteed to have a fantastic time at the Academy,⁷ and don't forget to prepare something extra-special for the School Festival two-week extravaganza. We look forward to seeing you soon!

¹Whether you like it or not. We will track you down.

²"Best" is used subjectively. Actual qualifications of teachers may vary or not exist.

³Actual spaciousness of rooms and food delectability may vary or not exist.

⁴Which is good, because you won't be.

⁵Students venture into the forests at their own risk. Flora and fauna may be homicidal.

⁶Some advanced coursework takes place at night. In case of bullets, duck.

⁷Guarantee does not cover cases of bullying, homesickness, personal injury, kidnapping, or riot inciting.

Gakuen Alice is © Tachibana Higuchi • Hakusensha / Alice Academy Committee 2004.

Which Gakuen Alice Character Are You?

What's your Alice type?

- ★ No Alice or Latent (Most common and well-documented abilities fit here, like x-ray vision and teleportation.)
- ★ Technical (Manifests via things you make, such as inventions or cooking.)
- ★ Somatic (Manifests physically, like super speed or animal pheromones.)
- ★ Special! (None of the above.)
- ★ Dangerous (Any of the above determined to be dangerous by the Academy.)

What's your favorite animal?

- ★ Cat
- ★ Rabbit
- ★ Bear
- ★ Robot
- ★ Imai Hotaru!

How much time do you regularly spend with the faculty?

- ★ None at all.
- ★ Only when they remember to show up for class.
- ★ The principal often asks me to demonstrate my latest work.
- ★ I'm good friends (or mortal enemies) with most of them!
- ★ So much it's starting to affect my health.

How many long-lost, estranged, or captive relatives would you estimate you have?

- ★ 0
- ★ 1
- ★ 2!
- ★ Revealed in the manga only.
- ★ Depends on how you define "relative."

Which word or phrase best describes you?

- ★ Indomitable!

- ★ Another reminder of your enforced lonely status?
- ★ A chance to show off for your wealthy overseas fans?

How many times have you tried to escape the academy only to miserably fail?

- ★ Escape my home? Why?
- ★ Never.
- ★ Once, but it was via a legal, home-visitation-award channel.
- ★ Once, and it would have worked, too, if it hadn't been for those meddling kidnappers. And that teacher. And the security system...
- ★ Don't even ask.

Character Quiz Results!

Mikan

Nothing gets you down - not hard work, not dismal grades, not even that awful boy who tried to set your hair on fire. There's only been one exception: when Hotaru left for the academy without saying good-bye. Following your best friend in the whole wide world all the way to Tokyo seemed like a good idea at the time, but what's this about not being able to leave - ever?

Hotaru

You've always had a talent for inventing extraordinary things, like robotic mail-delivering turtles and scent-enhancing pig snouts. Now Alice Academy's state-of-the-art lab equipment and rich business contacts give you the perfect chance to exploit that talent to its fullest. Too bad you had to give up a happy life living with your friends and family to get it.

Luca

While you put up a tough front, you've got a shy and sensitive streak a mile wide, making you particularly susceptible to Hotaru's blackmail. Your animal-pheromones Alice makes you popular with creatures both humongous and small, while your cute looks make you popular with the girls. You, however, spend most of your time worrying about your best friend Natsume instead.

Natsume

You're the most popular boy in Class B - and, thanks to your fire Alice, the most dangerous. You don't seem to care about anyone or anything except your best friend Luca and escaping from the academy. Unfortunately for you, the teachers have taken a particular interest in your abilities and enrolled you in a few "off the record" extracurriculars.

Mr. Bear

A stuffed bear given life by a student at the academy, you're a recluse who lives alone in a cabin in the Northern Woods. Young school children admire your cute exterior at their peril: your sharp axe and lightning-quick fists are always at the ready.

ITEM LISTINGS

Ratings System

To benefit our customers, we have implemented a rating system for many of our products based on the manufacturer's suggested rating for each title, as well as input from our own staff.

N/R

This title has not been rated.

ALL

Generally acceptable for children. No nudity. Possible mild violence.

12+, 13+, 14+

May contain violence, brief nudity, and/or mild language. May suggest sexual situations, but no such situations are shown. Parental discretion advised.

15+, 16+, 17+

Strong violence and strong language. Nudity may be prevalent. Mild sexual situations may be shown.

18+

Extreme violence, explicit nudity, and/or extreme language may be contained in the picture. May contain sexually explicit material. Absolutely not for anyone under 18 years of age.

Please note: Ratings used within our system are typically provided by the manufacturer. Because of the differences in ratings used by these companies, we have combined their systems with the descriptions of the ratings listed above. Right Stuf does not set ratings (except for its own products) and is not responsible for errors, omissions, or inaccurate ratings. These ratings are guidelines only and are subject to change.

Running Time / Video Length

Next to the age rating of each item, you will see the approximate running time listed for each video. Depending on the manufacturer, running times may or may not include extra bonus features, such as previews. An N/A indicates that the running time is not available.

Edited and Uncut

Although many fans screech in horror at the very thought of altering the original Japanese version of a show, for a series to make it to American TV (or even into some retail stores) it must often be edited. This means that scenes containing nudity, excessive violence, blood, and foul language are altered or even totally removed. Anime purists may want the original in all its glory, but parents of young TV viewers do not. Manufacturers recognize this and often release both the Edited (TV Version) and the Uncut (Original Version) of the show.

Closed Captioning (CC)

While most DVDs have subtitles, not all have Closed Captioning (CC). For those titles that we know have this feature, we have listed CC in the line containing the item's part number.

DUB ONLY? SUB ONLY?

Although DVDs allow for the possibility of dual languages, it is not always possible to license a title for dual-language release in the States. So, you end up with manufacturers

releasing Subtitle Only (SUB ONLY) or English Dubbed Only (DUB ONLY) DVDs. Subtitled DVDs display the dialogue on the bottom of the screen while the actual voices are still in Japanese. Dubbed means the music is (probably) intact, but the voices have been redone in English. In our online system, you will note that subtitled is represented by (S) and dubbed is represented by (D). You will also see (Hyb), which means that both the subtitled and dubbed versions are on the same DVD.

Release Dates

If an item has not yet been released at the time of this catalog's printing, you may see a release date listed for the item. However, manufacturers can (and often do) change these release dates due to production delays. If you are ordering an item with a release date and are concerned whether this item is on schedule, please feel free to check the item's release date through its online listing, contact Customer Service at 1-800-338-6827, or email Customer Service at info@rightstuf.com

Mosaic

The digital "mosaic" effect is sometimes placed over the relevant bits during a particularly adult sequence prior to the title being exported from Japan. When we are aware that a particular volume or title has this effect, we'll mark it as Mosaic in the volume listing.

OVA (OAV)?

This means Original Video Animation. In normal terms, this means a direct-to-video release.

Essential Anime / Anime Legends /

Viridian Collection

Certain DVDs are marked as "Essential Anime," "Anime Legends," or "Viridian Collection." These are re-releases of the original DVDs at lower prices. However, these new versions may or may not include all of the features that were found on the original release. If you are concerned that the DVD you are considering buying might not contain the features that you want, please feel free to contact Customer Service or check the item's listing through our online store.

Missing Volumes

You may notice that some series are missing certain volumes. While this can mean that particular title is going out of print permanently, it can also mean that the manufacturer has simply depleted their stock of that volume and has not yet reprinted further copies.

How can I check on my order?

If you placed your order through our online store (www.rightstuf.com), you can check your order status when you log in. Otherwise, simply call our friendly Customer Service reps at 1-800-338-6827 or email us at info@rightstuf.com

How long is a typical item "out of stock"?

With a few exceptions, DVD delays can be measured in days. There are some freak delays, but 2-4 weeks is usually a safe figure. However, please keep in mind that some items are directly imported from Japan and may be in short supply even there. Should the vendor be out of stock at the time of our re-supply order with them, it may be a bit longer. We keep thousands of items in stock, and our computer system automatically adjusts stock levels based on demand.

Can I use my coupons for an online order?

Yes, you can. Simply use the Coupon Code that is on your coupon when you place your online order. You can only use one coupon per order and only one catalog coupon per customer.

Can I order online Daily Deals items through the mail or over the phone?

Sorry, but these special offers are only available through our online store at www.rightstuf.com. If you check in often enough, you might find some amazing deals online!

How many coupons can I use?

You can only use one coupon per order and some coupons can only be used through our online store. Please see coupon details for specific restrictions.

Do I need to add sales tax?

Only if you're shipping to an Iowa address.

If I move, should I inform you?

Certainly a good idea (Right Stuf would be the FIRST notice I'd send if I were you), especially if you want to keep getting stuff from us. Just drop us a quick note, giving us your old address and your new address, so that we can update our records.

MAIL-IN ORDERS

I want to your online store and I wanted to order, but I don't have a credit card. Help!

Should you prefer to flip through the online store to select items, you can actually use it to place an order by mail! Simply select all of the items you want and place them in your cart. When you proceed to checkout, make sure to choose the "faxed or mailed order" option. This

will generate a printed form with everything already added up for you (no more calculators!) Just print this form and mail it in with your payment. Although you can use the online store to generate your order, nothing will be recorded by our system, so make sure that you don't lose your form or you'll have to re-enter everything all over again! Please note that online coupons are not valid on mail-in orders.

I saw a coupon on the internet; can I use it?

Some coupons and short-term deals, such as "Shawne's Daily Deals," can only be used through our website and cannot be honored for mail-in orders. This is generally due to specific date or manufacturer requirements, which cannot be imposed on mail-in orders. Please review the specific restrictions of the coupon to see if it can be applied to your mail-in order.

I saw a special deal / daily deal on the website. Can I put it on my mail-in order?

See coupon explanation above.

Why do you hold my order for 12 days when I pay by check?

Even with all this cool technology, checks can still require at least 12 days to clear. In a perfect world, this would not be so.

What's this NSF charge?

"Non-Sufficient Funds" means, in English, your check bounced. There is a \$25 charge for all returned checks. Once you have bounced a check, all further orders must be paid by either credit card or money order.

PAYMENT METHODS

Do you take Discover / VISA /

MasterCard / American Express?

Yes to all. About the only plastic that we don't take are standard ATM and gasoline cards.

If I order using a credit card,

when do you charge it?

Credit cards (by law in our state, actually) get charged only when the product actually ships.

I'm an international customer.

What's with this extra data you need?

With international mail and credit card fraud becoming a growing problem, we felt it was better to ask you for additional information rather than charge everyone outside the country a lot more for their stuff. For first-time orders only, we require a copy of some form of address verification which shows your address along with a photocopy of BOTH the FRONT AND BACK side of your credit card. For security purposes you may black out one set of digits. Upon request, we can provide a secure website location for our international customers to submit this information.

This policy only affects first-time international customers. However, should your address or credit card information change, we will re-request this information in order to protect you and to update our records. This policy is in place to help keep credit card fraud to a minimum and to ensure that our customers have the utmost security when ordering with our company. This information is destroyed after verification.

SHIPPING

How long does it take to ship an order?

From the time we receive the order and place it in our system, standard processing time to ship it is 24-48 hours. If some of the items are on back order, it can take an average of 10-14 business days for us to receive the back-ordered items. Standard processing time then goes into effect.

What are your methods of shipping?

Please see our order form for details and prices.

Are there more shipping options available?

Additional shipping options are available for orders placed by phone or through our online store (www.rightstuf.com).

How much is the shipping charge for

prepacks / box sets?

Box sets and prepacks are considered single items for shipping purposes.

Why did the cost of shipping increase?

While we try to hold our shipping rates steady, as the cost of transportation and fuel has risen over the course of the years, we've had to adjust our pricing accordingly based on the rates we receive from the various carriers.

I'm not at home during the day.

Can you ship to my office?

Certainly. In fact, we prefer to do this to ensure that you actually receive your order. Please provide us all the information that you can, including the name of the company, so that our friendly delivery person can get your package to you. We require that you include the business' name in the address. We are happy to work with you to get the product to you as quickly as possible. You can also choose to have the product shipped to you by mail instead.

Please note: this policy applies only to our domestic customers; for international customers, we must ship to the billing address on your credit card.

I chose express delivery, but my order still took 2 weeks to arrive. Why?

You must have ordered a product that we didn't have in stock at the time that we received your order. If an item is out of stock when we receive your order, we still ship it out by express delivery the moment we receive it from the manufacturer. Although we do keep significant stock of the items in our catalog, there are times when there may be delays getting items from the manufacturer, as discussed above.

What happens if my country will not allow me to have this sort of DVD? / My order was seized by the border. What now?

Please consult with the postal authorities of your country prior to placing an order for adult items. We cannot be held responsible for seized shipments or provide refunds for seized products.

RETURNING MERCHANDISE

When I got my <insert title here>, it was defective. What do I do?

If your merchandise is defective due to

a flaw in manufacturing, we are more than happy to replace the product. Unopened DVDs can be returned for Right Stuf store credit (or in the case of credit cards, refunded to the issuing card). All returns/refunds must be processed within ninety (90) days of the date on your purchase invoice. If you need to complete a return/refund, please obtain a return authorization number from Customer Service at 800-338-6827 or visit our online request form at: www.rightstuf.com/requestform

Do I have to pay shipping to return a product?

Yes, but we will pay the shipping to send the replacement back to you. We suggest using the least expensive shipping method available. If you have been shipped an item that you did not order, we will reimburse your shipping costs to return the item to us.

The packaging said it would include

<special item>, but mine doesn't have it!

Unfortunately, we have no control over what the manufacturers decide to place inside of their products. Sometimes the manufacturers do provide special extras, but we cannot guarantee that these items will be inside of the products that we receive. However, should the item not be in your DVD, we suggest that you contact the manufacturer directly. Of course, we are always happy to forward your request on for you!

GENERAL

Why do you charge for your catalog?

Unfortunately, paper does cost money. In order to keep producing a printed catalog, this means that we have to charge a small fee for it. However, first-time customers can get their money right back by using the \$4-off coupon on page 89! (Not to mention the other great coupons back there.)

Will I get your next catalog?

If you've ordered something from us in the last 6 months, you will automatically receive the new catalog when it is shipped. If not, you may find that you'll stop receiving catalogs (and you will have to send us the current catalog fee to reactivate).

When does your catalog come out?

Why, every spring and fall!

Where are the Adult products?

Since our catalog is delivered to anime fans of all ages, we've taken special precautions to ensure that the younger fans are not exposed to products that contain explicit violence, adult situations, or sexual content (18+). Products of this nature have been placed in a special section just for adults. Please feel free to remove this section - it really won't hurt our feelings.

Please be aware that this does not mean that all items in the regular sections are intended for young children. To help parents, we've taken special care to make sure that products are marked with age ratings.

What's this "Got Anime" thing?

An easy way to get an additional discount on your favorite anime items. For a small yearly membership

fee, you get additional discounts, newsletters, and members-only specials! Read more about the Got Anime Purchasing Club on page 6. Please note that international members of the club no longer receive mailings, due to postage cost, but newsletters are available online. Memberships are non-transferable, and will remain with the billing address of your account. If you move, please make sure to contact us with your updated information so that we can update your membership information.

Why don't you carry that many imports?

Limited availability of imports and lack of timely distribution of such overseas items make it difficult to provide quality imports on a timely basis. As such, these items are only listed on our online store, so if you're looking for a particular item, please check our website or call our customer service hotline.

Why don't you have <title here>

audio soundtrack from Japan?

See above question regarding imports. You also might want to check our soundtracks section because a number of titles are now being released domestically.

I really want to learn Japanese.

What resources do you have?

Right Stuf now has an entire section dedicated to helping our customers learn about Japan and the Japanese language! Whether you're just starting out or you're ready to move onto the next level, make sure to check out our "Language/Culture Books" section on page 37. It includes everything from textbooks and workbooks to memory aids and intermediate readers!

PRODUCT INFORMATION

I saw this show that I think might have been anime. Do you have it?

If you can give us enough information, someone can usually identify the program. Please understand, though, that if you ask us about something where "there's a girl who's like a magic user, a guy with a sword, and a villain who wants to take over the universe," there's a problem. This describes about half the films ever made. Also, knowing what a series or movie is doesn't mean that it's available in the US as a licensed product, but it could be.

Why isn't <title here> available in the US?

You might be surprised to find out how much anime is available in the US. Of the few titles that remain unlicensed, some titles have their rights disputed, some licensors want more money than a title can possibly generate in this market, and, of course, some are currently in negotiation. With the exception of a few TV series (which are a different matter entirely, due to their length), this just about covers it. We do not sell bootlegged products.

Can I special order items that are not on the website?

Simply put; if it isn't on our website, we can't get it at the moment.

What are some good shows for children?

Although this is truly a matter of personal preference, we recommend Yugioh, Pokemon, Winx Club, Teenage Mutant Ninja Turtles, My Neighbor Totoro, Kiki's Delivery Service, Kimba, and Astro Boy for young anime fans. You might also consider the Sanrio titles like Hello Kitty. Look for the "ALL" age rating in item listings for child-friendly titles.

What's the most horrible, tasteless adult anime you offer?

That really depends largely on the person you ask. Some would say Cool Devices and Night Shift Nurses, others Love Doll and Bible Black. These titles are certainly not for the squeamish and are most definitely only for adults. Look for them in the adult portion of the catalog.

DVD SPECIFIC

What is Region Coding?

Region coding is a geographical restriction for DVDs and players that allows for licensing of specific materials within different areas, or regions, of the world. Since DVD players are region specific, you need to make sure that the DVD you purchase is coded for the same region as your player.

What region is my DVD player?

If you purchased your player from a retail outlet in the US, it should be Region 1. You can check the Region Coding on your DVD by looking for the Region Code symbol on the packaging.

Region Coding List:

- 1 - United States of America, Canada
- 2 - Europe, including France, Greece, Turkey, Egypt, Arabia, Japan and South Africa
- 3 - Korea, Thailand, Vietnam, Borneo and Indonesia
- 4 - Australia and New Zealand, Mexico, the Caribbean, and South America
- 5 - India, Africa, Russia and former USSR countries
- 6 - People's Republic of China

Can my DVD play in a Playstation / Xbox / personal computer?

It depends on the DVD. There have been instances of some DVDs having difficulty playing in certain players. While the vast majority of DVDs will work just fine, we cannot guarantee all DVDs will play correctly on your Playstation, Xbox or personal computer.

Will a Blu-ray disc play in my DVD player?

Only if you have a special Blu-ray player or a Playstation 3.

POPEYE THE SAILOR

Animated Popeye plot lines tend to be simple. A villain, usually Bluto, makes a move on Popeye's "sweetie," Olive Oyl. The bad guy then clobbers Popeye until Popeye eats spinach, which gives him superhuman strength. The fundamental character of Popeye, paralleling that of another 1930's icon, Superman, also invokes traditional values possessing uncompromising moral standards and resorting to force only when threatened, or when he "can't stand no more!"

JAPANESE STREET SLANG

Learn about the raw, down-and-dirty street language as it is used in Japan

ちょっと待って! これを読んで下さい!! (WAIT! READ THIS!!)

So now you've done it. You're totally hooked on anime and manga and all you want is more, more, more! While you could wait for everything you want to finally get picked up in the States, you could also take the next step and learn Japanese yourself! To help you along on your quest, Right Stuff has created the section you see before you. We've gathered some of the top textbooks and learning aids to get you started along with many cultural books. Looking for something that you don't see here? Drop us a line and let us know what you're searching for!

Now, before you leap into this section, here are some notes on the Japanese language for total beginners:

Japan has three different sets of writing: hiragana (a syllabic alphabet usually used for native words), katakana (a syllabic alphabet usually used for foreign words), and kanji (symbols representing whole words/concepts). "Kana" refers to both hiragana and katakana. You'll want to start out learning kana, and then work your way up to kanji.

You've probably also heard the term romaji tossed around. Romaji is basically writing out Japanese words using the western ("Roman") alphabet. So while "dog" is "いぬ" in written Japanese, you may also see its romaji form of "inu" in Western textbooks.

The best way to get a true grasp on the language is to start with a series that focuses on hiragana and katakana, but some Westerners aren't as comfortable learning that way. For those of you who just want a quick jumpstart, you may want to check out the books that focus on romaji. We've tried to mark which style each book uses.

today. Witty mini-essays trace the fascinating origins of many expressions and the rollicking example sentences reveal just how and where they may be heard. The Japanese language portions of this book are written in romaji.

For nearly a century, Japanese writers gave voice to the anxieties of a nation headed inexorably towards war. Beginning with US Navy Commodore Matthew C. In 1989 Hideo Azuma ran away from his responsibilities of family and work and tried, unsuccessfully, to hang himself, then went homeless. This autobiographical account of his two disappearances, his slide into alcoholism, and his eventual recovery, takes these painful experiences from the darkest reaches of his mind and treats them with an overriding sense of a cartoonist's humor.

Asuka Masamune is a guy who loves girly things - sewing, knitting, making cute stuffed animals and reading shojo comics. But in a world where boys are expected to act manly, Asuka must hide his beloved hobbies and play the part of a masculine guy instead. Ryo Miyakozuka, on the other hand, is a girl who can't sew or bake a cake to save her life. Asuka finds himself drawn to Ryo, but she likes only the manliest of men! Can Asuka ever show his true self to anyone, much less to the girl he's falling for?

Sayonara, Zetsubou-Sensei

Wacky hijinks rub elbows with witty social satire in this comedy about a teacher full of despair and the students he accidentally inspires. Each of them is a cute girl who might fit right in with the obviously cheerful cast of Azumanga Daioh - that is, if his students didn't represent a complete cross-section of modern-day Japan's troubles. From illegal immigration to texting addiction, each is taken to an hilariously absurd extreme. Experience the power of negative thinking today!

GET FREE SHIPPING ON YOUR ORDER!!

If you live inside the U.S. and your order exceeds \$49 (without freight), then Economy Shipping is FREE for domestic customers. If you live in Canada and your order exceeds \$150, our regular shipping is FREE!

SHIPMENTS TO MILITARY ADDRESSES & U.S. PROTECTORATES

Our domestic standard rates are simple: In the U.S., including APO (AA, AE, AP), FPO, PR, GU and VI, please use the Domestic Shipping Options. Please be aware that if you have a PO Box, or are stationed in the service, our standard shipping is by mail because UPS will not deliver to these locations. If you live outside of the areas above, please use our International Shipping Options.

SPECIAL NOTES FOR OUR INTERNATIONAL CUSTOMERS

Shipping companies or local governments may charge an additional fee for taxes, or for delivering your package to a foreign country. Such fees and customs duties are not included in our shipping price and are your responsibility. We will not be responsible for seized shipments and cannot provide refunds for seized products. Please check to make sure you are in compliance with all local laws if you are ordering an adult product(s).

For first-time orders only, we require a copy of some form of ID (can be your driver's license, passport, credit card statement, utility bill, etc.), which shows your address along with a photocopy of BOTH THE FRONT AND BACK sides of your credit card. For security purposes, you may black out one set of digits. This information is to help keep credit card fraud down and is for your protection as well. Upon request, Right Stuf can provide a secure website location for our international customers to submit this material. This information is destroyed after verification.

I'M RUNNING OUT OF FORMS!!

You are hereby authorized and deputized to make copies of this order form. As long as we can read it and all the information is there, you're fine. Copy away. You can also print one from our website at: <http://www.rightstuf.com/orderform>

SHIPPING INFO:

Please allow 2-6 weeks for delivery. It will almost certainly be closer to 2 than 6 weeks, but we like to err on the side of caution. Shipping confirmations are often sent via email to the address you provide on the order form so please make sure to write your email address as clearly as possible.

If someone will not be available at your home, consider having the package shipped to your work address (include your company name). If your package is returned to us, we will charge you additional shipping to reship it.

Express shipping means that your order will be shipped via 2 Business Day UPS. Actual shipment time can vary based on whether the item(s) is in stock at the time we receive your order. If you need your order as soon as possible, please consider placing your order over the phone (800-338-6827) or through our secure online store (www.rightstuf.com).

Pre-order release dates can (and often do) shift about without the manufacturer informing us. If you are concerned about your pre-order status, please contact customer service at any time or check the latest information on product updates on our website (www.rightstuf.com).

For domestic orders: We may, at our option, ship your order in multiple shipments. Please note that, in general, only shipments using the economy ship method will receive partial shipments. Due to increased transportation costs, orders shipping by other methods or internationally may be held until the order is complete. You may request a shipment of in-stock items on your order at any time by contacting customer service for an additional fee based on the ship method that you have chosen for the order.

PAYMENT METHODS:

We accept checks and money orders in U.S. funds. Sorry, no international checks. Please make all checks / money orders payable to Right Stuf, Inc. All checks require at least 12 days to clear our bank. Sorry, no CODs.

We also accept the following payment methods: MasterCard, Visa, American Express, or Discover. Sorry, you can't use your Mom's Sears card - or your Dad's BP card. For security purposes, we may contact you for additional information which may delay your order.

PLEASE DO NOT SEND CASH THROUGH THE MAIL!!

RETURN POLICY:

If your merchandise is defective due to a flaw in manufacturing, we are more than happy to replace the product. Unopened DVDs can be returned for Right Stuf store credit (or in the case of credit cards, refunded to the issuing card). If you need to complete a return/refund, please obtain a return authorization number from Customer Service at 800-338-6827 or visit our online request form at: <http://www.rightstuf.com/requestform>

Products returned without a return authorization number, or those more than ninety (90) days after the invoice date, will be returned to the customer.

If the package was damaged while in transit (crushed box): if delivered by UPS, please contact UPS directly at (800)-PICK-UPS (1-800-742-5877) or if delivered by Mail, please contact your local postmaster.
